PRINT, FILL OUT AND GIVE TO YOUR FAVORITE STORE

Dear Store Manager,

I love shopping at your store but I can not find one of my favorite spreads, World of Chia.

World of Chia is an absolutely natural fruit spread made with chia seeds instead of pectin, with no added acids, pectins, artificial or synthetic ingredients. It is lower in sugar than most other spreads in the shelf. Please contact the World of Chia team and I am sure they will be happy to send you some samples for you to try and please bring this product to your store if appropriate.

Thank you!
